PETER A. MOORE, JR., CLERK
US DISTRICT COURT, EDNC
BY SAS DEP CLK

Attn: Clerk,

Greetings. My name is Eric Charles Welton and I believe I have active business before this court. I am represented by the firm Dysart-Willis but have grown concerned with matters of transparency and communication. I feel the need to independently verify representations made on my behalf so as to assess the efficacy of counsel.

I would like copies of all documents and transcripts pertaining to my engagement with this court. I do not know best how to make this request in the absence of counsel and without access to information resources. If there is a proper procedure I would welcome it at

Eric Charles Welton -491780
Onslow County Detention Center
717 Court Street
Jacksonville North Carolina 28540

Results should also be mailed to the above. Fee payments or simple logistics can be arranged via my daughter, Eve Welton, at 512-954-1702 if such communication is appropriate or possible.

Thank you,

Eric C. Welton
